Dear Mr. Gasser:

I am writing to express my gratitude and satisfaction for a job well done!

I called your company in a quandary about how to get a leak in my meter-to-building waterline repaired.

I was kindly greeted on the telephone by Larry, who went well out of his way to find the services I needed. He made a number of calls on my behalf and promptly called me back to keep me informed.

The on-site locating work was performed by Tim, who was very gracious and supportive and provided insights from his experience that proved very helpful in solving my problem.

I am very satisfied and grateful for the assistance and service provided by your company and it's employees.

Thank you.

Sincerely,

  
Beverly J. Kimrey
